Community Education Initiative Fall 2010 Evening Lecture Series

Hosted by
Children's Hospital Boston
Medicine Patient Services

Children's Hospital Boston

Program Description

The Children's Hospital Community Education Initiative is pleased to offer an ongoing series of community education programs. These have been developed to provide current health information from Children's Hospital specialists to school nurses, education staff and community and healthcare providers. We hope that you will join us in the Pediatric Educational Series.

Disclosure:

In accordance with the ANCC guidelines, please read the following disclosures: For successful completion of the program participants must sign the attendance sheet, remain for the program and submit the evaluation form in order to receive a contact hour certificate. At the beginning of the program any conflict of interest of the planners and faculty, presenters, authors or commercial support associated with this activity or endorsement of products will be announced.
